Vers

Chorus

## 1. VERS

Oh, look what they have done to the world - Can't you hear Gaia is calling  
Softly but not detuned - I'm looking forward to see you arise  
If only I could remember - Remember those days in paradise  
In your sweet sweet garden - And the taste of the sweet sweet apples

## CHORUS

Sweet Home Atlantis - Maybe you'll appear in the see  
Sweet Home Atlantis - And I'm coming home to you

## SOLO

## 2. VERS

Come back like a hard divorce - So that man will change the course  
And I hope the people of power will know - that Atlantis doesn't need em  
anymore

## CHORUS

Sweet Home Atlantis - Maybe you'll appear un the sea  
Sweet Home Atlantis - And I'm coming home to you  
Sweet Home Atlantis - Where the sky is still blue  
Sweet Home Atlantis - And I'm coming home to you

## ENDING

Sweet Home.....(4x)
